POLITICAL SIGN POLICY

On July 14, 2020 the Stone Ridge Homeowner Board established a sign policy interpretation that allows each resident to place one small yard sign approximately 24" by 18"□ when specific needs present themselves, such as an impending local or national election. Please note that the sign must be placed in the landscaping immediately against the foundation of the home. On December 7, 2021, the Stone Ridge Homeowner Board amended, that going forward, 1 political sign may be put up not more than 30 days prior to an election and taken down 1 day after the election. The size and placement remain the same.
